International Day of Peace

Friday September 21st

This year the International Day of Peace, which is marked each year on 21 September, falls on a Friday. Islamic centres across the UK and overseas are coming together as usual for Friday Prayers (Salaatul-Jamu'a). This year, they are also leading their local communities in marking the International Day of Peace. Islamic centres will invite visitors to join them to exchange messages of peace, to celebrate local peace-building activities and to enjoy the hospitality offered. Local schools, churches, synagogues, temples, gurdwaras and community organisations will be invited to observe the day by accepting these invitations.

On Friday 21st September you are invited to
